

Health Care Communication Board

Instructions: Always begin patient visits with a phone interpreter to address initial needs and questions and to review the use of the Communication Board, including how to request an interpreter. Patients and staff can point to the picture to request wants and needs. This communication tool should not be used in place of an interpreter.

I want		
<p>pain medicine</p>	<p>phone interpreter</p>	
<p>doctor</p>	<p>nurse</p>	<p>family</p>
Health care		
<p>pulse</p>	<p>blood pressure</p>	<p>temperature</p>
