

Summit PPO

Summit PPO has 3 tiers of coverage for different groups of clinicians. You receive the best value when you choose high-quality care from Kaiser Permanente clinicians. When choice is most important, you have access to more than 1 million in-network health professionals anywhere in the United States.

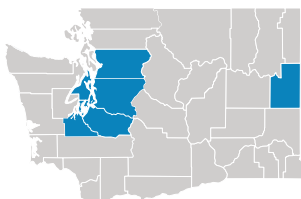

- Tier 1 offers in-network care from Kaiser Permanente providers and pharmacies, as well as preferred contracted providers and hospitals. It's the highest-value, lowest-cost choice.
- Tier 2 includes in-network care from other providers, including First Choice Health providers and First Health providers.
- Tier 3 includes care from out-of-network, licensed providers at higher costs.

How Summit PPO plans work

Where are you accessing care?	Washington counties: King, Kitsap, Pierce, Snohomish, Spokane, and Thurston	All other Washington counties and nearby states: Alaska, Idaho, Montana, and Oregon	Anywhere else in the United States:
Tier 1 Preferred In-network	Kaiser Permanente clinicians and pharmacies, and preferred contracted providers and hospitals	Kaiser Permanente clinicians and pharmacies (where available)	
Tier 2 In-network	Directly contracted in-network providers, First Choice Health network, and OptumRx pharmacies	First Choice Health network and OptumRx pharmacies	First Health Network and OptumRx pharmacies in all other states
Tier 3 Out-of-network	Includes all providers throughout the United States that are not contracted with Kaiser Permanente, First Choice Health network, or First Health Network.		

Summit PPO network

With Summit PPO, you can choose from an extensive network of preferred primary and specialty care providers, including our exclusive medical group at Kaiser Permanente medical facilities. You can also choose from providers in our regional and national networks. Get care from:

TIER 3: Out-of-network

- Care from any licensed provider in the United States
- Covered at the out-of-network benefit level; balance billing may apply

Prescriptions by mail

The first time you fill a prescription³, use any network pharmacy. Then use our easy and convenient mail-order service for subsequent refills.⁴ Start by transferring your prescriptions with our mobile app.⁵

Safe travels

You're covered for emergency care and medically necessary urgent care anywhere in the world.

¹ Washington Permanente Medical Group personnel records

² OIC Provider Network Form A

³ Applies to maintenance drugs used regularly for ongoing conditions like asthma, high blood pressure, or diabetes.

⁴ Subsequent refills must be made via mail order or at a Kaiser Permanente retail pharmacy. This does not apply to medication for sudden conditions or to drugs that cannot be mailed.

⁵ In the Kaiser Permanente Washington mobile app, select "Medications," then "Transfer a Prescription."
